

MANAGEMENT DEVELOPMENT PROGRAMME ON AGRI INPUT MARKETING

16-17, April, 2020

THE INSTITUTE

Indian Institute of Plantation Management (IIPM), Centre of Excellence and the first-of-its-kind National Institute, was established at the initiative of the Ministry of Commerce & Industry, Government of India. It is co-promoted by the Commodity Boards of India, viz., Coffee Board, Rubber Board, Tea Board, Spices Board, Tobacco Board and Plantation Industry Associations. IIPM has been focusing in the field of plantation & associated agri-business and commodity management education.

BACKGROUND

This programme aims at providing the participants with practical skills and attitude for reaching-out to farmers efficiently and effectively with their input offerings. This program will focus on capacity building of corporate executive on managerial and marketing theories and applications in the field of agricultural input marketing such as business environment scanning, understating farmers' buying behavior, market segmentation, targeting and positioning (STP), inventory planning and management, designing marketing network, pricing and promotion and developing effective communication strategy for farmers. This program will cover all key domains of agricultural inputs like seeds, fertilizers and chemicals, organic fertilizers and pesticides, farm machinery and animal feeds and will ensure takeaways for the participants.

OBJECTIVES OF THE PROGRAMME

This programme aims at building the capacity of corporate executives working with agricultural input companies to effectively develop and manage their input business with the farming communities for enhancing their market growth on one hand and efficiently delivering farm advisory services for promoting profitable agriculture to the farmers on the other.

PROGRAMME CONTENT

The program sessions will be delivered through experienced faculty and industry colleagues using practical approaches blended with theoretical models on following tentative themes:

- Scanning of agricultural input marketing environment
- Using marketing tools for developing agricultural input marketing mix
