EPCP-ABPM

PROFESSIONAL CERTIFICATE PROGRAM IN  
AGRIBUSINESS & PLANTATION MANAGEMENT

(A UNIQUE PROGRAM FOR EXECUTIVES AND ENTREPRENEURS WHO WISH TO **LEAD**)

2<sup>nd</sup> BATCH 2023

# Program Overview

E-Mode Professional Certificate Program (ePCP) in Agribusiness Management is an 11 month certificate program that will be conducted in a virtual interactive learning mode on evenings and weekends, immersion of off-line and on-line interactions. The objective of the program is to impart management education for working professionals who wish to be business leaders. The course is imparted through virtual classroom sessions, consultative seminars and live projects and business plan development to enable the participants to enhance their efficiency and provide opportunities to enhance their growth potential and be ready for change management in the agriculture, plantations, horticulture and allied (APHA) sector.

IIPM set up at the initiative of the Ministry of Commerce and Industry, Government of India, is the only world renowned academic institution to offer postgraduate programs in agribusiness, plantation and food management. IIPM's mandate is to create a unique pool of talented professionals in the domain and provide career advancement opportunities to its student's. IIPM offers a range of sector-specific courses to meet the requirements of industry. The faculty carefully craft curriculum and develop effective Assurance of Learning (AoL) resources and best practices.

The program will help the participants improve their managerial and leadership skills with the right mindset, network, and foresight to make that career leap. Furthermore, relate theory to practice, discover skills for entrepreneurship, and the successful business.

## Key Takeaways from the Program

## Testimonials of Alumni

*Before the course started I had some apprehensions as Agri business/entrepreneurship is a new field for me. Epcp, is a well-balanced holistically developed curriculum which is ideal for new entrants and agripreneurs. It is also a platform for developing practical business plans, funding and mentorship. My long term goal to give back to society will be fructified through this process.*

*I urge all new entrants to jump into the bandwagon and start their journey.....*

**Ipsita Choudhury**

Vice Principal

*It has been a truly invaluable learning experience through the online platform by zoom. as for the assistance, feedback and general helps of the teachers, I found it excellent. they are very patient and give us motivation. I'm glad that I chose this course, which will help my future career.*

**Anurag Chaudhary**

Regional Manager

*I always knew that my Graduation from Agri University & 3+ decades of services in senior management positions is not sufficient to lead teams professionally & efficiently.... Yes, IIPMB is giving me the Vantage positioning myself with the latest Advancements in Agribusiness Management... meticulous planning of its EPCP-ABPM program designing with quality faculties, industry experts, brainstorming sessions with critical Industry Case Studies, etc... grooming me to next level in professional Agribusiness Management... thanks to IIPMB.*
