Students Profile: PGDM-FPBM 2021-2023

Career Planning Process (CPP)

Career Development Service Unit is proud to announce the Career Planning Process has begun for 5th batch of PGDM-FPBM program. We create a bridge between Prospective employer and graduating students to aim at mutually understandable common goal.

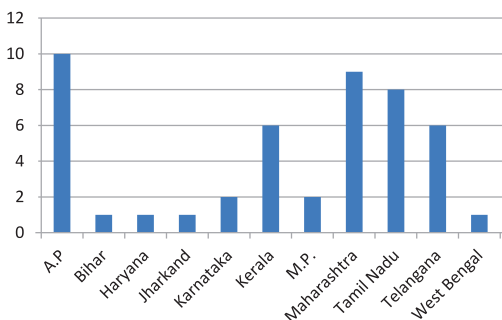

Food Industry in the recent years has emerged as a high growth sector and high profit sector. We are proud to state the students are placed in various organizations that specialize in Food sector. The scope for employment is vast as opportunities are available in Food Processing companies, soft drink manufacturing firms, quality control organizations, packaging industries, Food retail, Cool & Cold Chain management, Logistics & supply chain Management, Food safety, Food labeling, Research and banking also. Our students are trained to develop a sector specific focus in the context of the larger economy.

We take this opportunity to invite you to join us in our CPP. In order to enable you to have a well-rounded assessment of our students, we provide a wide placement interaction space from September – March. You may visit our campus on a date of your convenience during the scheduled time. You may also hold a Pre-Placement talk (PPT) with the students to provide them relevant information pertaining to the nature of job, remuneration package, learning and growth opportunities, work environment and places of posting. Please indicate your preferred dates for campus interviews by email in advance. The summary of Students' Profile is provided to help you shortlist candidates. We can also arrange to send hard copies of the resumes, if required

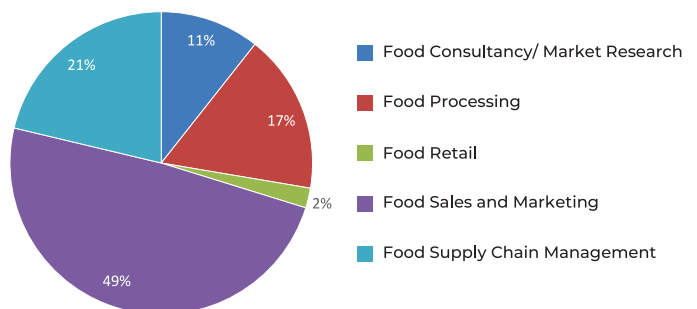

The Schedule

Selection Process : September, 2022 – March, 2023
Availability of the students to join the Organization : May, 2023 Onwards

Demographic Profile of PGDM-FPBM 2021-23

CTS (Summer Internship) of PGDM-FPBM 2021-2023
