FPM

Fellow Program in Management (FPM)

(Agribusiness & Plantation Management)

Full Time and Part Time (For Academicians & Industry professionals)

Approved by AICTE-MHRD-GoI

DIRECTOR'S MESSAGE

I welcome research scholars from both academia and industry to pursue Fellow program in Management at this unique institute, which takes a holistic view of the plantation, agriculture, food and related sectors (that includes commodities like tea, coffee, rubber, spices, coconut, cotton, sugarcane, forestry, plantation, horticulture, fodder plantations, herbal & medicinal plantations, nuts, and apiary (bee-keeping)). I am sure the scholars' ideas, together with the rich, diverse experience and expertise of faculty of IIPM would synergistically work to contribute to the intellectual capital of IIPM and facilitate in developing strategic interventions for the betterment of the plantation, agriculture, food and allied sectors.

Prof. Rakesh Mohan Joshi

ABOUT THE PROGRAMME

Fellow Program in Management aims to develop accomplished and ethical researchers in the field of agribusiness, plantation, food and allied areas, who seek to discover and diffuse new knowledge in order to meaningfully contribute to the academic community in particular and to the larger business community and society, in general. The incorporation of diverse methodologies, philosophies and perspectives enables cultivation of critical thinking skills among the FPM scholars that results in relevant research outputs in their respective domains.

VISION

To be a leading destination for agribusiness and plantation management research program in the world, through policy and industry-oriented research.

MISSION

- To train the next generation of agribusiness and plantation management researchers.
- To develop globally competent and socially responsible researcher for agribusiness and plantation sector.
- To impart quality research with rigor and relevance to agribusiness and plantation.
- To generate new knowledge by engaging in cutting-edge research and to promote academic growth by offering state-of-the-art doctoral programme.

PROGRAM EDUCATIONAL OBJECTIVES

- Scholars of the program shall acquire knowledge in the area of agribusiness management in general and specific related domains in particular.
- Scholars of the program shall acquire analytical and methodological skills required to conduct research.
- Scholars shall disseminate research outcomes effectively through publications and presentations.

PROGRAM OUTCOMES

- Apply knowledge in agribusiness management and related specialized areas of research.
- Demonstrate problem solving skills with acquired knowledge of research.
- Apply analytical skills in order to solve research problems
- Use methodological skills to solve research problems.
- Collect existing literature in the area of study and articulate research gaps.
- Able to compose research output in the form of original and high-quality management research writings.
- Disseminate research output through publications and presentations.

RESEARCH AREAS

Faculty members at IIPM have a wide range of interests in the core areas of production and operations, human resources, marketing, organizational strategy, finance etc., Some of the areas of faculty research includes: new venture formation and growth; social entrepreneurship and value creation; organizational learning and adaptation; effect of self and groups on consumer behavior; human resources and competitiveness; strategic investments and corporate growth, branding and new product development, strategic marketing and commodity price risk management. The highlight of FPM program is to enable each scholar draws on faculty member's diverse expertise and interests to come up with a theme that suits his or her interests.

Specializations Offered

FPM offers specializations in the following areas related to Agri-Business & Plantation Management domains specified earlier. Scholars can specialize in one of the following areas pertaining to commodities and associated agriculture domains with broader aspects of:

- | | |
|--|--|
