CAREER PLANNING PROCESS (CPP)

Career Development Service Unit is proud to announce that the Career Planning Process has begun for 6th batch of PGDM-FPBM program. We create a bridge between Prospective employer and graduating students to aim at mutually understandable common goal.

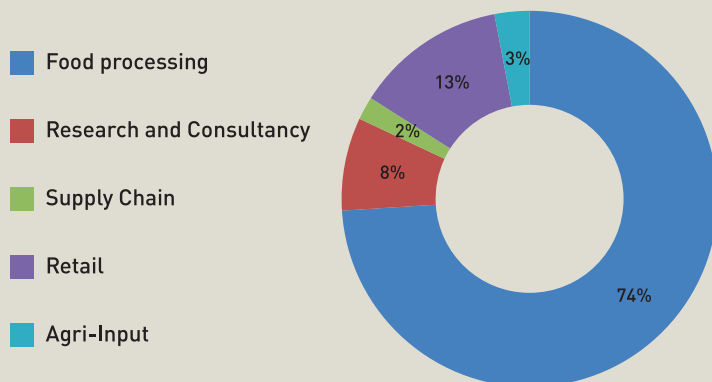

Food Industry in the recent years has emerged as a high growth and high profit sector. We are proud to state that our alumnis' are placed in various organisations that specialize in Food Sector. The scope for employment is vast as opportunities are available in Food Processing companies, soft drink manufacturing firms, quality control organisations, packaging industries, Food safety, Food labelling, Branding Marketing, Research and Consultancy and Banking also.

Our students are trained to develop a sector specific focus in the context of the larger economy. We take this opportunity to invite you to join us in our CPP. In order to enable you to have a well-rounded assessment of our students, we provide a wide placement interaction space from September – March. You may visit our campus on a date of your convenience during the scheduled time. You may also hold a Pre Placement Talk (PPT) with the students to provide them relevant information pertaining to the nature of job, remuneration package, learning and growth opportunities, work environment and places of posting. Please indicate your preferred dates for campus interviews by email in advance. The summary of students' Profile is provided to help you shortlist candidates. We can also arrange to send hard copies of the resumes, if required
