Prospectus 2024

Professional Certificate Programme on TEA TASTING AND MARKETING (10th June – 23rd July 2024)

*PCP-TTM
Fifteenth Batch*

THE INSTITUTE

Indian Institute of Plantation Management (IIPM) Bengaluru - centre of Excellence and the first-of-its-kind National Institute, was established at the initiative of the Ministry of Commerce & Industry, Government of India. It is co-promoted by the Commodity Boards of India, viz., Coffee Board, Rubber Board, Tea Board, Spices Board, Tobacco Board and Plantation Industry Associations. IIPM has been focusing in the field agribusiness, commodity, food & beverages and plantations (ACFP) management education and training.

THE PROGRAM

Institute is offering a Professional Certificate Programme on Tea Tasting and Marketing (PCP-TTM) under the seed-grant of Tea Board of India, Ministry of Commerce & Industry, Govt. of India, for tea industry personnel, *nascent entrepreneurs* and public in general, in the global academia.

This program combines the discipline of professional tea tasting, blending and marketing. The PCP-TTM has been crafted out of an industry – academia interface, with greater focus on practical inputs to address the emerging needs of tea industry. The program will cover the cutting-edge principles of tea business management, market information & techniques and practices of tea tasting skill to prepare a dynamic group of world class professional tea tasters and sommeliers with managerial capabilities.

PCP-TTM offers excellent career opportunities, nationally and globally, in reputed tea companies, brokerages, tea buyers and blenders, serve as tea sommelier/master in Beverage Industry as well as in tea gardens and factories.

Program is developed and designed by the distinguished IIPM faculty, experts from Tea Board of India and Indian Tea industry.

COURSE HIGHLIGHTS

The programme will be offered by IIPM in collaboration with Tea Board of India, Ministry of Commerce & Government of India and tea sector.

The program is recognized by Tea Board of India, and Tea Industry, for the professional practice of tea tasting, blending and tea making.

The field and factory visits are essential part of the program.

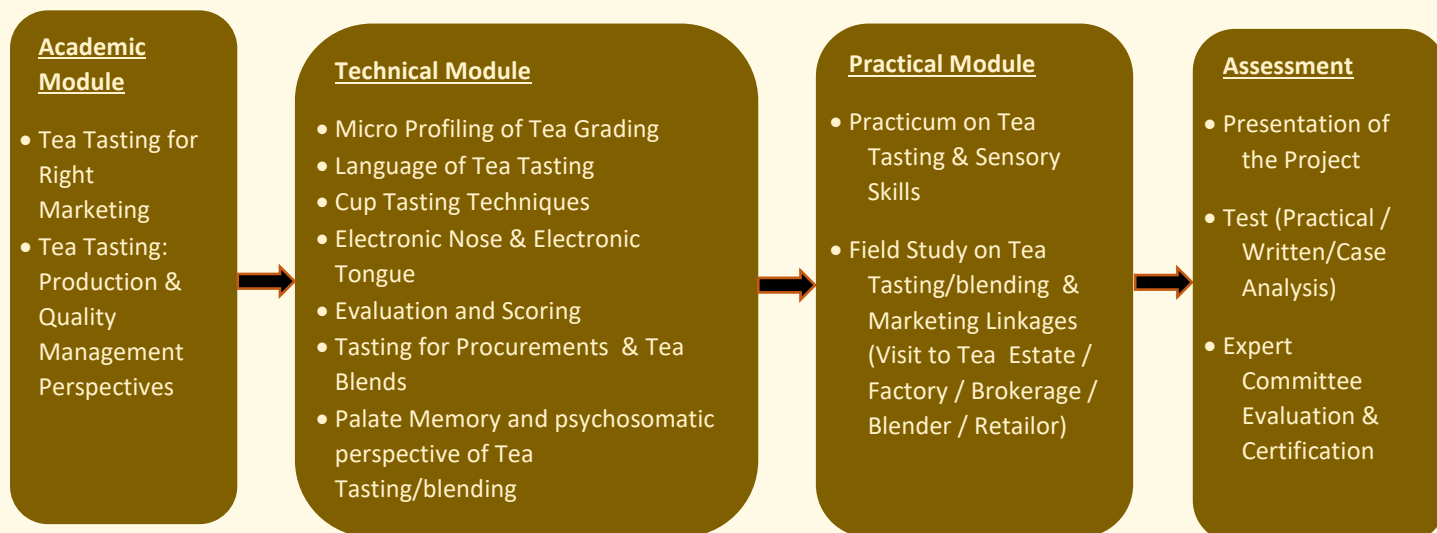

The program will ensure the participants to upgrade their skill in tea tasting, blending and marketing to facilitate their future career propelled in right direction.

COURSE STRUCTURE

The course and programme structure is flexible to cater to the needs of the participants. The program is classified into three streams based on the background of the program participants. The classification of the program participants are inclusive of **Fresher's to tea industry experts, with experience in tea manufacturing, tea production, tea trading / blending, tea retailing and experience sommelier.**

In all the streams, the technical, functional and marketing aspects of tea tasting sessions are integrated differently in order to fill the skill gaps of the participants.
