Two-Day Training Program on “Export Management of Plantation Commodities with a Focus on Coconut

IIPM, in collaboration with KAPPEC, is organizing a two-day training program on Export Management, specifically targeting Plantation Commodities with an emphasis on coconut. This program aims to provide participants with in-depth knowledge of export management processes for plantation commodities, delivered through in-class lectures by experienced IIPM faculty and external experts. Additionally, the program features group projects, discussions, and case studies to ensure a comprehensive learning experience.
